Jonathan,

Any of those dates currently work for me.

I look forward to it.

Luis leads the team at the cruise terminal for Metro Shore, which is the front line staff that interacts with cruise guests at the terminal. I met with Luis, Sean, and Joseph on Saturday morning to explore ways we can accommodate the needs of passengers and Princess cruises to provide a memorable experience at the LA Waterfront. We also discussed the positive impacts that a tourism ambassador program would have on the area. They are very receptive and excited about the possibilities with our team.
